Race1 @ 13:26 OPC IT Handicap

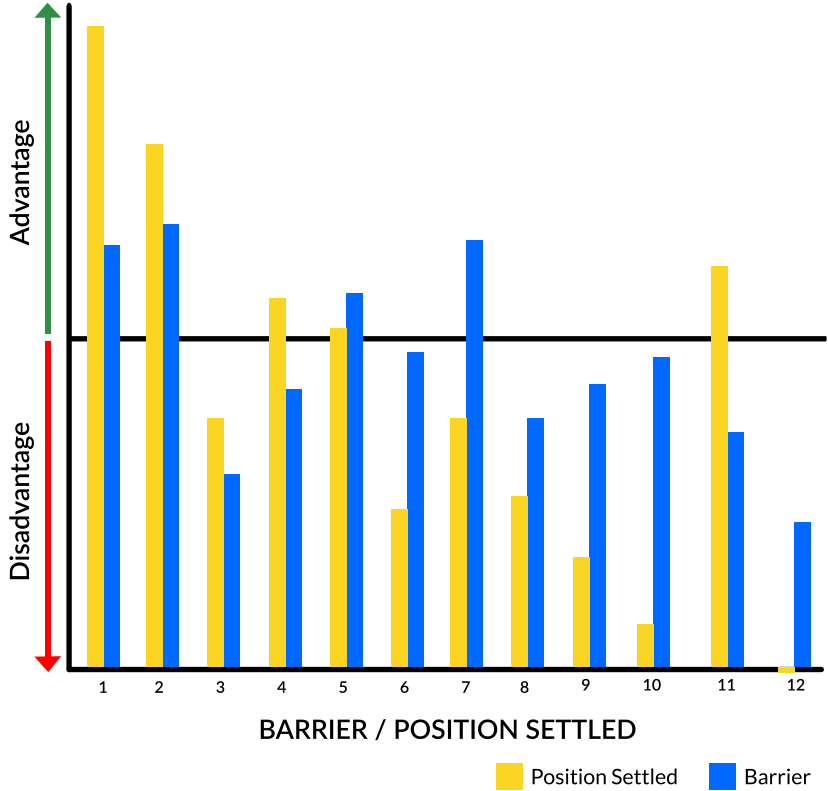

DISTANCE: 1400m

ANALYSTS VIEW: Competitive. FLYING DESTINY (1) is in a strong Sydney stable and disappointed at Hawkesbury nine days ago. The debut win and narrow defeat prior suggest this is winnable. He runs along and is advantaged by the low gate. BELLEISTIC KIDS (4) has been knocking on the door at the Sapphire Coast and Moruya and peaks with a key gear switch. HELLO JACK (3) was on-speed and impressed beaten a nose at the Sapphire Coast and then knuckled on jumping there and forgive. Races at top and is also a chance. BURGUNDY GIRL (5) is ready to fire off the two solid placings. The Dryden yard is hard to beat at home. ALL BUSINESS (2) is also third-up and going well enough to consider.

Race2 @ 14:01 TAB Lickety Split

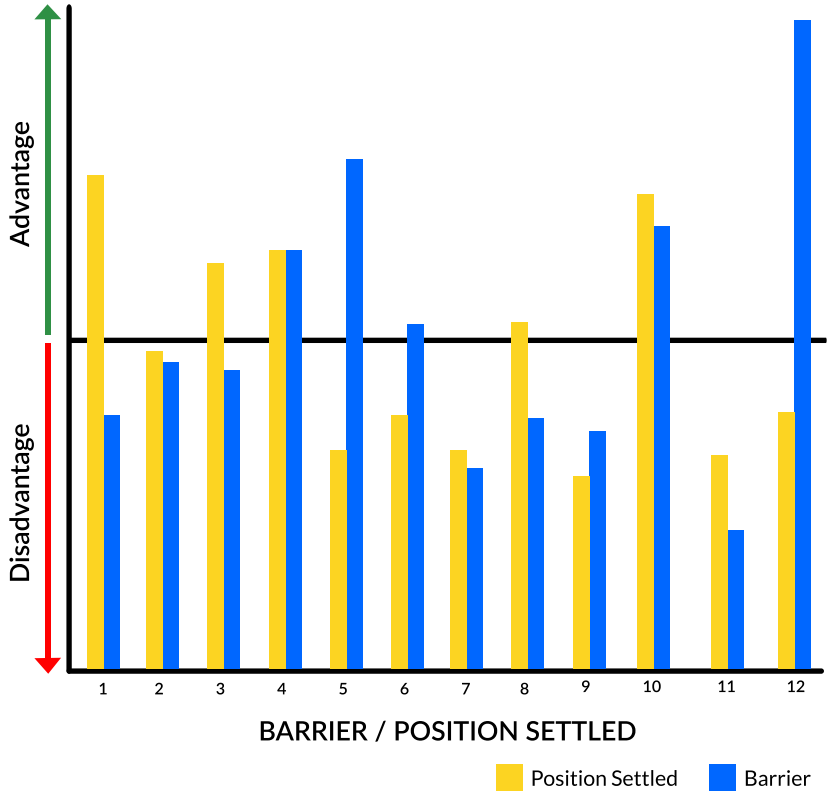

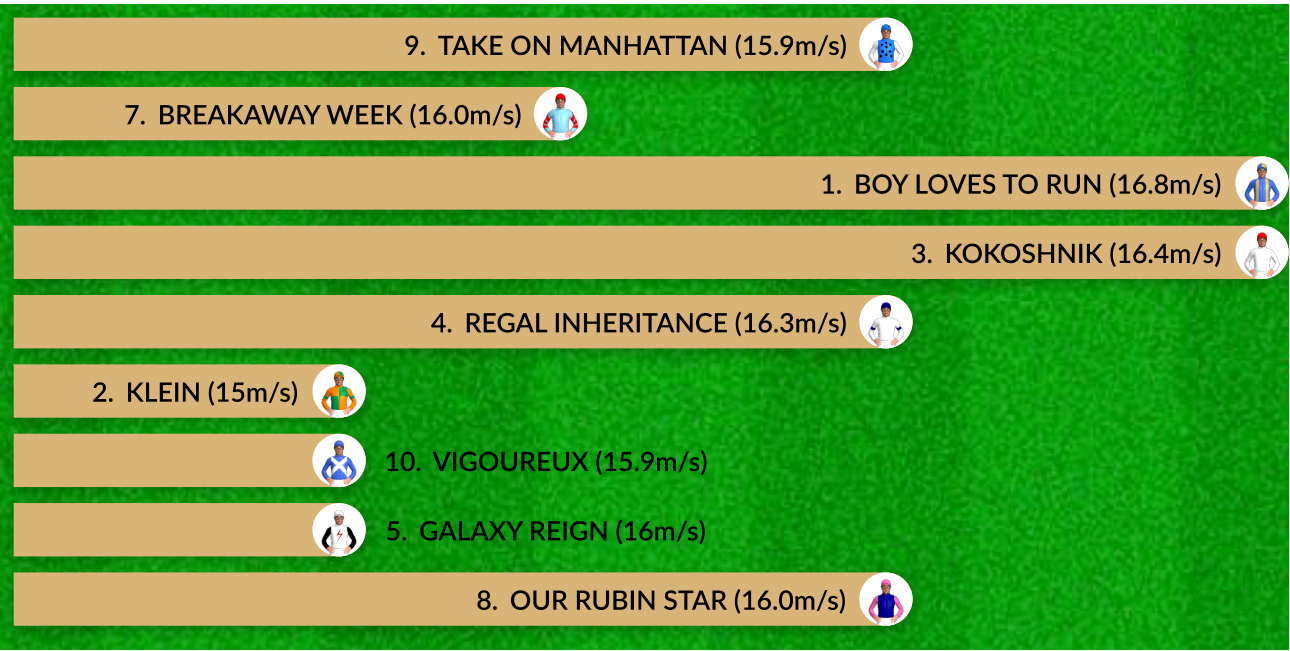

DISTANCE: 1000m

ANALYSTS VIEW: NOVEMBER RHYTHM (2) presents third-up off two narrow defeats at the provincials. He runs along and is promising. Fitter again and should have these covered. LA MIA VIA (7) resumes and has placed 6/9. Has been racing on wet tracks and returns off a peak. In the top local barn and goes fresh. SENNAPROST (3) needs to find more but has twice trialled sharply in town suggesting he will. Keep safe on resumption. Tougher sorting the rest. DESTRUCTIVE DIVA (10) debuts for a canny local stable and will likely be better than the trial finish suggests. One to put in at odds.

Race3 @ 14:36 Turfcare Australia Handicap

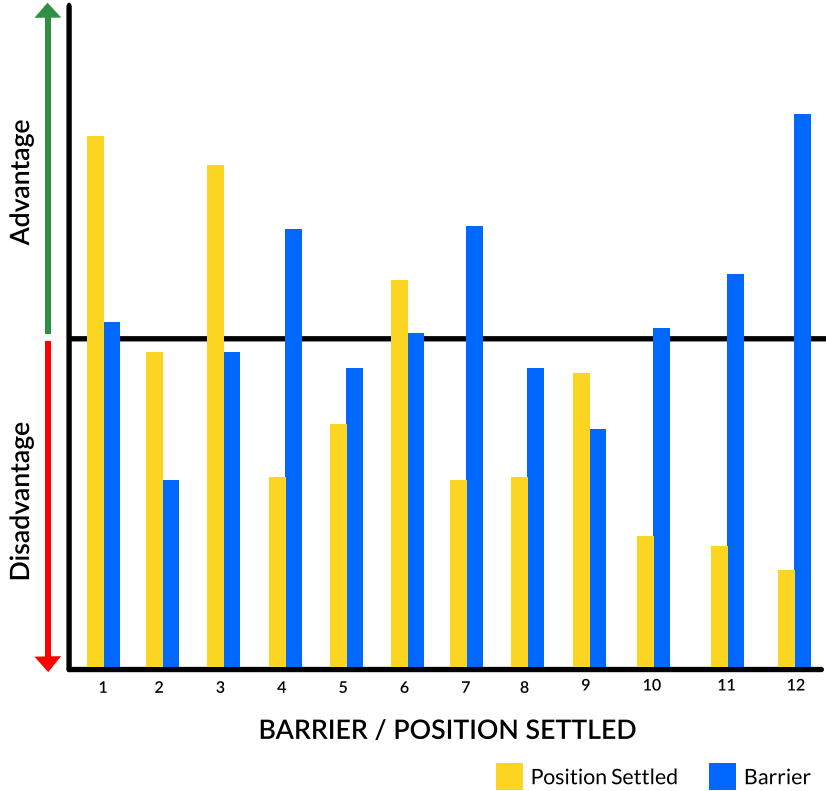

DISTANCE: 1400m

ANALYSTS VIEW: REGAL INHERITANCE (4) has come back to racing in good order delivering handy efforts at the provincials. She has more up the sleeve and looks well-placed in a country Maiden. BOY LOVES TO RUN (1) is also third-up and has a similar profile. Brad Rawiller sticks from the Gosford placing. KOKOSHNIK (3) has her third start and is an improver who's also in good hands. Did a few things wrong in town the latest but Clark's booking suggests she can get back on track. OUR RUBIN STAR (8) has been around the mark without winning. Sat handier from the rail the latest and can do the same here. The longer sprint should suit. BREAKAWAY WEEK (7) will also be around the mark.

Race4 @ 15:11 HIT 104.7 Handicap

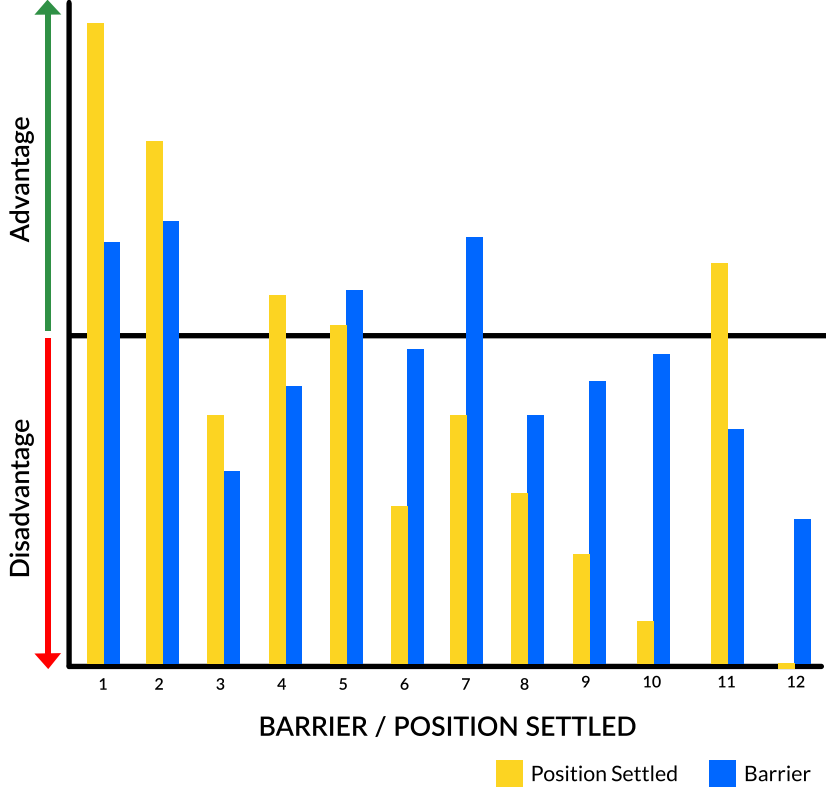

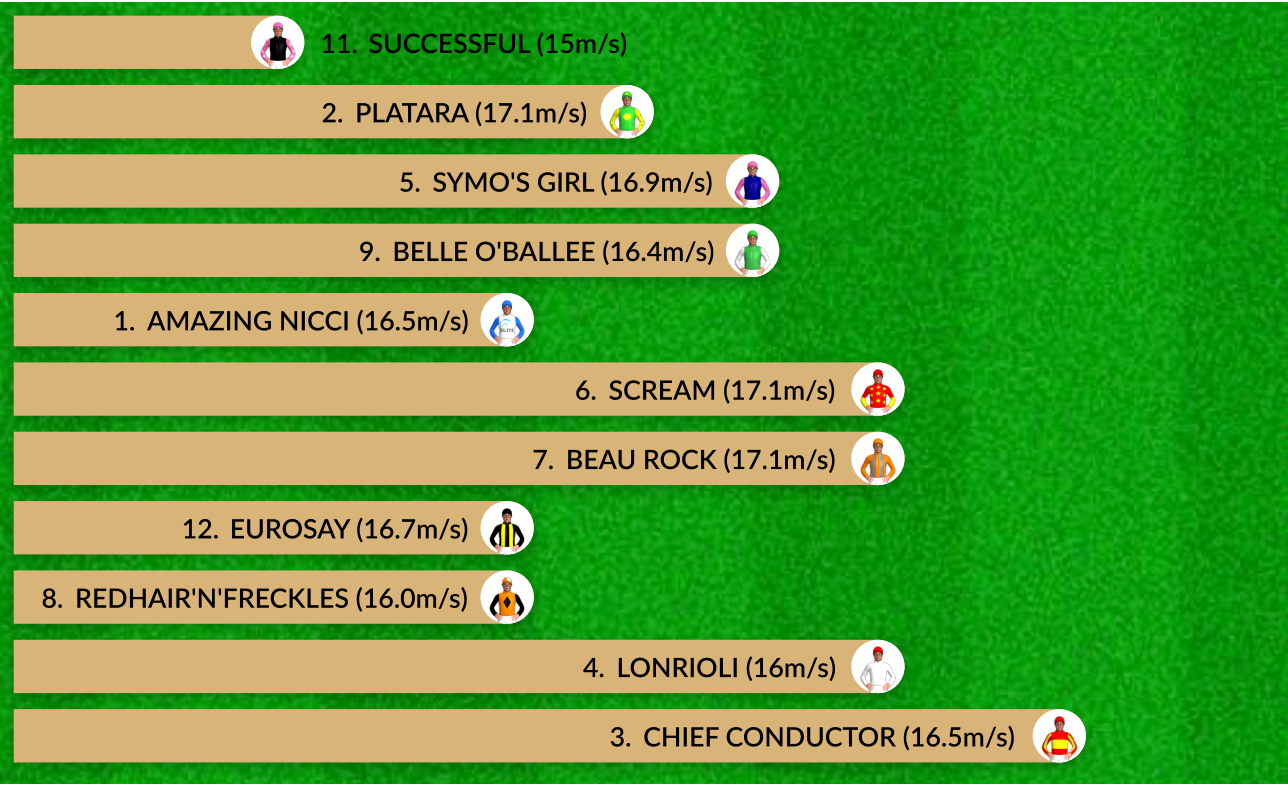

DISTANCE: 1200m

ANALYSTS VIEW: CABLE TIE (2) was well-trialled before winning at Hawkesbury on debut. Had no luck at Gosford after and forgive. In a good Sydney barn and stripping fitter should have these covered. **LETHAL LADY (8)** jumped awkwardly at Randwick and didn't get into it. She'd been tracking well prior and has a good record on her home track. She can make the finish. Tougher sorting the rest. **CHAMPIONS LEAGUE (3)** is a former Victorian lining up here on a 38-day return. He races handy and Penza's booking suggests he's pleasing. His best would be good enough so he has to be kept safe. **SNAPPY JIM (7)** and **IN DE SUN IWILCOME (4)** both resume and will be in the mix if presented forward.

Race5 @ 15:51 NVS Paving And Landscaping Handicap

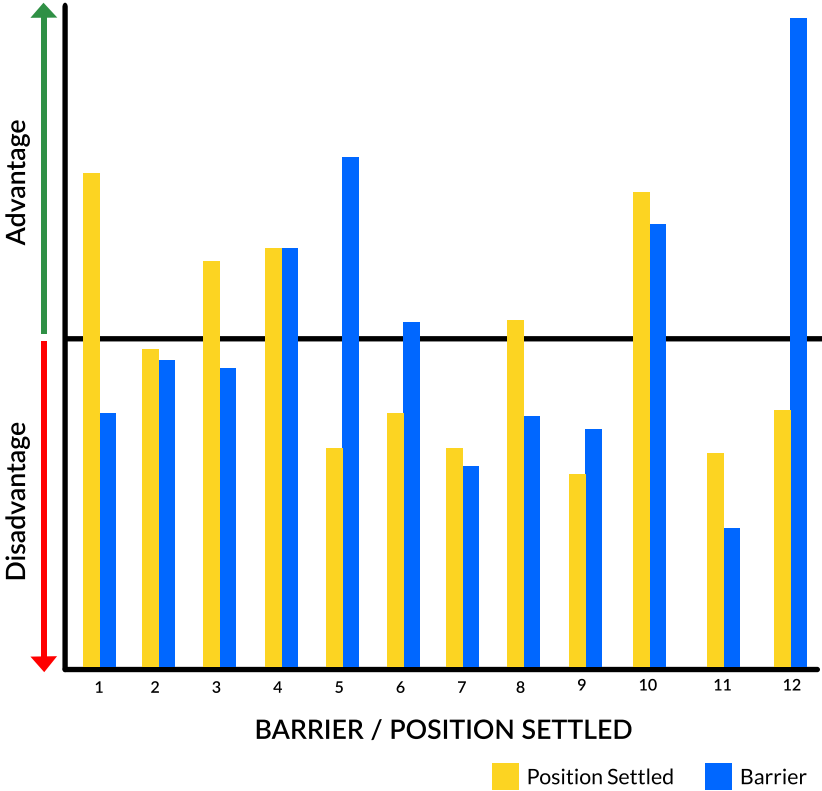

DISTANCE: 1000m

ANALYSTS VIEW: SCREAM (6) ran a 5-4 favourite here 17-days ago and nothing went right. He was an easy Maiden winner prior and will have come on. Has to be given another chance. **LONRIOLI (4)** is fast and resumes off a try at Listed level. Showed plenty before that and has trialled sharply at Rosehill. Clark rides from a low gate and has enjoyed plenty of success at this carnival in the past. **BEAU ROCK (7)** is a local threat backing-up off a comfortable 60 win beating Scream home. Has a handy gate and the 3kg claim advantages. **CHIEF CONDUCTOR (3)** switched barns and wasn't beaten far at Wyong first-up. The rails gate advantages and his best would see him right in it.

Race6 @ 16:31 Iron Jack Canberra Guineas (LR)

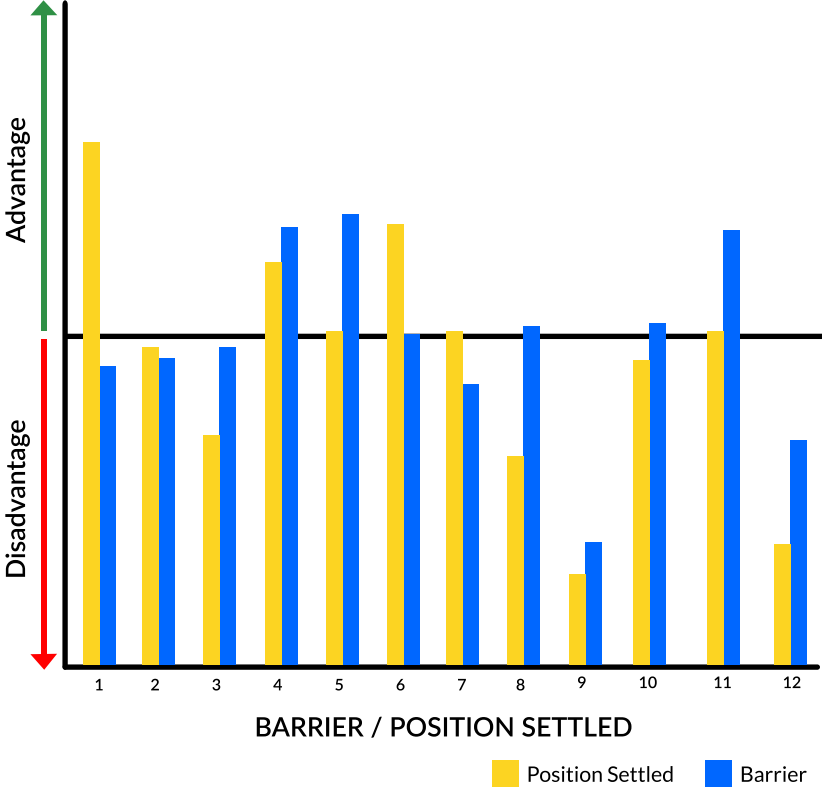

DISTANCE: 1400m

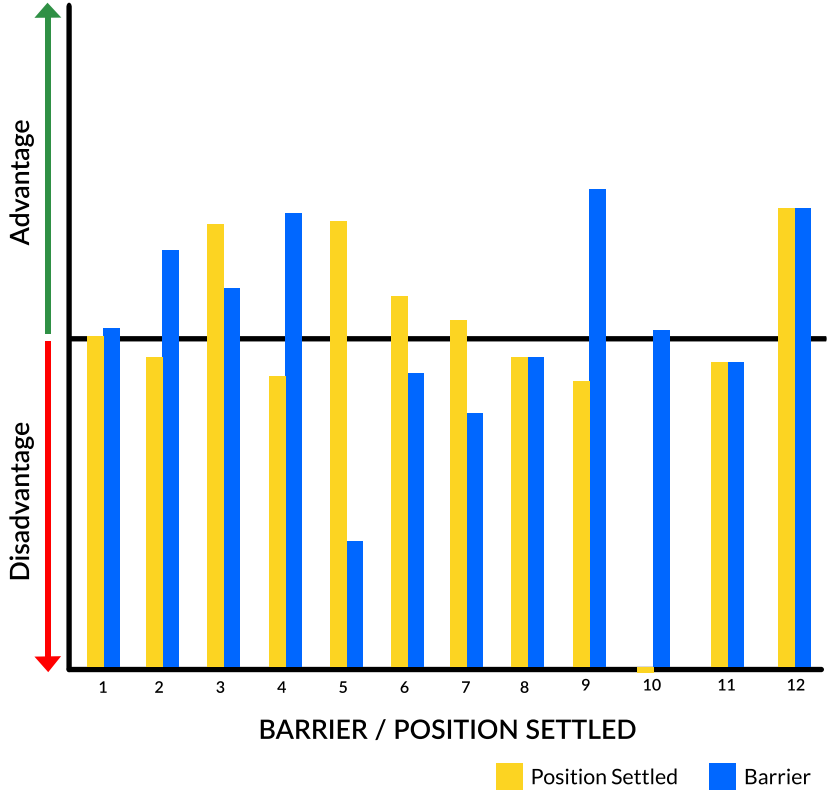

ANALYSTS VIEW: WOLVERINE (1) presents third-up off threatening efforts in Group company. There was only 1L in it the latest in the Surround Stakes and today she tumbles in class. Has the outside gate but should be finishing over the top of them. **KIMBERLEY SECRETS (2)** is a progressive filly who made it 3/4 this preparation winning the CL5 at Moruya. She will settle ahead of the above in the run and is sure to take pegging back. **SMOOTH SAILING (8)** has her third start seeking the hat-trick. She was heavily bet at Gosford in a CL2 last time and the low barrier and longer sprint advantage here. **CAPITAL ASSET (3)** improved again winning the 68 at Wyong. Clark will use the rail and note the Snowden yard strikes at a whopping 33% at this track and has enjoyed good success at this carnival.

Race7 @ 17:16 TAB Canberra Cup (LR)

DISTANCE: 2000m

ANALYSTS VIEW: ARAPAHO (1) has raced at Group level both starts this campaign and is ready for the step-up to the middle distance. He's well performed and King can secure a soft passage from the handy barrier. **SACRAMENTO (3)** has been close-up in Listed grade his last two and they stack up. Clark will push forward and the gelding hits this at peak fitness. **ZEYREK (4)** resumed with an easy win in a BM100 over 1400m. Is up sharply in trip but the stable has done that successfully previously. The outside barrier will require a clever ride. **ATHABASCAN (6)** finished just behind Sacramento in the Randwick City Stakes and has to be considered third-up. **ALMANIA (9)** peaks for Kris Lees and is also going well enough to consider.

ANALYSTS VIEW: Competitive. **UNIQUE PRINCE (10)** spiked his figures again beaten 1L in a Goulburn 66. Has an awkward gate but Penza staying aboard is a plus. Gets plenty of weight relief in this grade and he'll go close holding the form. **IRONBARK ARTIE (4)** has been threatening in provincial and city company and drops in grade off the latest. Has the blinkers on first time and from the handy gate the Snowden-trained galloper will get every chance. **ROCCAFORTE (5)** is well-bred and rated positively narrowly beaten first-up. The mile suits and the rails barrier should advantage. **TWIG (7)** spiked her figures beaten a whisker here 36 days ago. In good hands and is a hope along with **STRATUM PRIDE (9)**, who's ready to show her best.
