The Club reserves the right in its sole discretion to disqualify any entrant who the Club reasonably believes has breached any of these Terms and Conditions.

If any selection is a late scratching (scratching's are finalised on race morning) in any race then the starter with the lowest saddlecloth number is substituted e.g. if horse number 5 is selected and is scratched it will be replaced by horse number 1 and if horse number 1 is also scratched it will be replaced by horse number 2 and so on.

If less than 4 races are run on any program (due postponement/abandonment) than no winners will be announced for that race meeting and \$250 credit will be added to the next race meeting's prize.

Entry to the Competition is free.

Maximum number of entries:

Only one entry is allowed per Member, per Competition. Multiple entries will void all entries for the Member.

Points will be awarded irrespective of the number of horses in any race. For Competition purposes, the placings for each race are as determined by Stewards at the time that correct weight is declared for any event.

At the conclusion of any standard raceday (all racedays excluding Black Opal Stakes Day and Canberra Community Chest Day), where 4 or more races have been run, the Member with the most points accumulated is determined as the winner and will have \$250 credit applied to their membership card.

Should there be Members on equal points, the Member with the most 1st placings amongst their selections will be determined the outright winner and if there is still no outright winner, the Member with the most 2nd placings will then be determined the outright winner.

If after 1st and 2nd placings are assessed and there is still no outright winner, the winning prize (credit) will be divided equally amongst the winning members.

Winners of the credit, will receive an additional 20% if they were to scan their membership card at Thoroughbred Park terminals when purchasing food and beverage on the same day.

Bonus Prize:

If any member correctly selects the final six winners, aligned with these Terms and Conditions, that Member will receive a complimentary \$1,000 free bet on the follow meeting's TAB Federal.

If there is no TAB Federal at the following meeting, the free bet will apply on the next meeting where a TAB Federal is held.

If multiple members correctly select the final six winners, the \$1,000 will be divided evenly.

Winners of this prize must provide the selection via email to canberracing@thoroughbredpark.com.au, prior to 11am on the relevant race day. If no correspondence is received, the bonus prize is forfeited.

The free bet must be placed on the TAB Federal as one bet on the Win market at the local fixed odds.

The free bet will be placed by Club officials when the first on-course TAB facility opens.

The Club bears no responsibility on disparity of selections odds, should this change in between the correspondence being received and the bet being placed.

If the winner's selection is a late scratching, the bet will roll over to the following meeting, where the preceding terms and conditions apply.

If the winner's free bet is a winner, they will receive the entirety of the earnings including the \$1,000 stake.
