CHAIR'S WELCOME

Dear Member,

Thank you for your continued support of thoroughbred racing in the Nation's Capital. I wish you an enjoyable 2024/2025 racing season as a Member of the Canberra Racing Club.

Last year was another successful one for the Club: we had continued growth in crowd numbers on race days, culminating in an attendance of almost 8,500 for John McGrath Auto Group Black Opal Stakes Day. The move back to a one-day carnival was very well received. We'll be working hard to do even better this year.

We also launched the Canberra Festival of Speed, an innovative motorsport event that attracted over 13,500 attendees across 2 days. With over 30% of ticket holders coming from interstate, the Canberra Festival of Speed is Canberra's newest major driver of tourism.

The Club reaped the benefits of the successful completion of the new Polytrack surface on the Acton Track. The timely completion has provided a safe and fair racing and training surface and is a wonderful asset for our Club moving forward.

The Club continues to progress through our redevelopment plans for the Thoroughbred Park precinct which will deliver a great future for racing in Canberra.

We will continue to prioritise Member and customer experiences. Events like the Hops & Hooves Festival, Canberra Community Chest and our Scottish-themed Burns Club race day will all return in 2024/2025.

We will continue to connect with the community and provide Members with value from our partners like the Royal Canberra Show and Canberra Festival of Speed.

Thank you for your continued support of the Canberra Racing Club. I look forward to seeing you at Thoroughbred Park this season.

Liz Clarke
Chair
